

CES Events November 2017

The CES third Harvest Supper was well attended.

The Courageous Exploring Scholars in Base Camps Briggs, Cameron, and Wieck had their third annual Harvest Moon Supper and Empty Bowls Project on October 25. Students made and served food using the produce harvested from their school garden. The menu included salsa and chips, zucchini bread and delicious soups. The children worked with art teacher, Katie Cotnoir to create colorful clay bowls. Parents offered donations for the bowls, which raised \$332 for the Loudon Food Pantry and the Concord Friendly Kitchen.

CES students help their community during the Holidays.

The CES annual Holiday Food Drive will begin on November 6 and run through December 8. There will be collection boxes for non-perishable items in the front hall of the school. The food will be distributed to families in need throughout our area during the Holiday Season. All donations are greatly appreciated.
